Hi Rob,

Per the memo attached to your email below, I'm resubmitting the signature page with signature lines added for you and Eugenia McNaughton. Can you please back-date the signatures to match either the memo (1/11/2016) or, at the latest, Friday (1/22/2016), so that the signatures are all clearly before the first day of field work? Once that's done, can you send me a final, signed version and I'll insert the new signature page into the QAPP and recirculate to everyone?

Thanks (and I apologize that the quality of the signature page is not great),

Sarah Yates
